EPILEPSY GROUP TO MEET  
TUESDAY IN MISSOULA

MISSOULA---

The second meeting of a group established in September to teach area residents about epilepsy and the problems faced by epileptics will be at 7:30 p.m. Tuesday (Oct. 9) in room 204 of the Missoula County Courthouse Annex.

The name proposed for the group is the Five Valleys Epilepsy Association.

Michael M. McCarthy, a University of Montana student who was instrumental in establishing the epilepsy organization, said Tuesday's meeting is open to anyone interested in epilepsy, including teachers, clergymen, social workers, parents and epileptics themselves.

McCarthy said those attending the meeting will vote on the organization's proposed name. Officers also will be elected and committees will be appointed during the meeting.

Residents of any community between Kalispell and Hamilton are invited to attend Tuesday's meeting.

About 40 attended the group's first meeting Sept. 25 in Missoula, McCarthy said.
